The screenshot shows the 'Deposit' form on the Skril website. At the top, a progress bar indicates the user is at the 'Add money' step. The form contains the following elements:

- A text input field for 'Credit card number \*' with a card icon on the right.
- Two text input fields for 'Expiry date \*' and 'CVV \*'.
- A checkbox labeled 'Save card details' with a help icon.
- A 'CANCEL' button in red text.
- An 'ADD CARD & CONTINUE' button.
- A section titled 'We accept these cards' with logos for VISA, Mastercard, American Express, and Discover.

Blue arrows point from the text annotations to the corresponding form fields: from 'CREDIT CARD NUMBER' to the number field, from 'CREDIT CARD EXPIRY DATE' to the expiry date field, from 'CREDIT CARD CVV NUMBER' to the CVV field, from 'SAVE CARD DETAILS' to the checkbox, and from 'ADD CARD & CONTINUE' to the button.

The screenshot displays the Skrill mobile app interface. At the top, it says "Welcome" and has a "Logout" link. Below this is a balance field showing "00.00USD". The "Skrill Balance" logo is visible. A central message reads: "Keep your privacy and make instant payments with your Skrill balance. Make seamless and secure payments with just a click. Log in at Skrill.com, make a deposit and you are ready to go." A prominent purple button labeled "DEPOSIT VIA SKRILL.COM" is highlighted with a blue arrow. Below this is a section for "YOUR BALANCE" in "USD" and a "PAY NOW" button. At the bottom, it states "Powered by Skrill" and "PCI DSS Compliant".
